4TH INTERNATIONAL SALON LATVIA FIESTA 2026

CHAIRMAN OF THE CIRCUIT

Dear friends,

I have the honor to welcome you from the pages of the catalog of the 4th International circuit ART FIESTA 2026 GEORGIA – MOLDOVA - LATVIA. Our photo contest has been acknowledged by the great and well-known photographers from all around the world.

On behave of the organizer's team of the circuit, I would like to thank all participants and our respectable Jury who worked hard to choose and award the best jobs.

We give our best effort in producing the best quality medals and certificates. We provided prizes in each section because of the huge number of good entries in our competition. It is a great pleasure for circuit to host so many authors. The contest received 2938 photographs from 249 authors from 57 countries. As a result of the jury have been selected 2624 of photographs, of which 295 photographs have won awards.

I would like to thank FIAP, GPU, UAFM, CPLA, IIG, IAAP and Photolife Club their support and patronizing.

Dear photographers, we are looking forward to waiting for you at our next exhibitions and Circuit. Wish all of you happiness and success in your job and life.

Best regards,

Nino Mghebrishvili

Circuit Chairman

GPU PATRONAGE

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.
